10. Spending all the monies earned within a week while having the necessities (including bills paid) for the month or cautious spending throughout this same period?
11. Obtaining employment in areas such as beach clean-up at a nonprofit such as Ocean Conservancy or a position (if you can interview for it) at a highly successful for-profit organization?

13. Succeeding in your current place of living or going elsewhere to excel in a career only?
14. Taking time to develop familial relations for a week or following a strict workplace guideline of no time off from work?
15. Following rules or complete anarchy?
