

Way To Play!

Like the other mind challenges, you need to defend your position on the question given and your response. You gain a point if the other player approves of your response. Otherwise, see how well you can respond to these questions mentally. Surprise yourself! Enjoy!

Mind Challenge #12- Why, oh Why? (For the curious learner in you)

Begin here:

1. Why is there a sky?
2. Why is there a tree forest only in certain parts of the planet?
3. Why are there insufficient reserves of resources to sustain the current population?
4. Why do some eat as they wish and remain slender in figure while others gain weight if too many calories are consumed?
5. Why is the care for and of family so critical to our psyche, in your opinion?
6. Why are birds growing in population, according to Birds and Blooms 2024 Annual Edition (June 2024, v3, pp.4-8)?
7. Why are mothers (mom) so important to our growth and development in our youth?
8. Why are fathers (dads) so important to our growth and development in our youth?
9. Why is it so important for you to be (or not to be) the center of attention among your peers?
10. Why are the lovelorn so lucky (or unlucky if you will) in the area of personal interactions?
11. Why do some prefer blond-haired females while others have a tendency towards being kind to brunette-hair?
12. Why do human beings exist as is (a bit of anthropology)?
13. Why are there horizons that we can never actually touch or visit?
14. Why do we follow state-specific laws, regulations, and rules (other than to avoid social confusion)?
15. Why, in your opinion, do some prefer to live in the fast lane (expensive homes, all you can get without too much toil) while others prefer life in the slow and steady existence?
